

EXCEPTIONAL PLACE TO WORK

ENHANCING WORKPLACE WELLBEING,
ONE CUP AT A TIME.

FOR OFFICES

INTRODUCTION

Where office life was previously constrained by fixed presence, rigid schedules, and linear career paths, it has shifted toward choice, with flexible workplace models, location options, adaptable hours, and multi-dimensional career journeys.

Our study reveals how much the role of coffee has evolved alongside the modern workplace. It is no longer simply a quick productivity boost.

While wellbeing is often discussed, it can be difficult to define in everyday terms. In professional settings, wellbeing emerges in the moments around coffee:

the pause that allows disconnection, the conversations that strengthens collaboration, the spark that ignites creativity, and the gestures that encourage people to come together.

Coffee fosters real connections and boosts morale at work.

OUR FINDINGS
REVEAL THAT
NESPRESSO STANDS
OUT AS A BRAND
PEOPLE SAY
GENUINELY MAKES
THE DIFFERENCE.

At **Nespresso**, we've long been curious about the role of coffee in the workplace. Over the years, we've conducted studies to understand its impact, but this time, we wanted to go deeper.

We asked ourselves a simple question:
what difference does having **Nespresso** in the office make for employees' wellbeing?

To answer it, we ran a dedicated study... and the results surprised us!

The positive impact was far greater than we expected. Beyond being a quick boost of energy, **Nespresso became a meaningful contributor** to everyday wellbeing, supporting small moments of connection, enhancing daily interactions, and contributing to a more vibrant and collaborative office atmosphere.

We would like to share the findings as we believe the insights are relevant to leaders like you. It shows that small, thoughtful choices, like providing **Nespresso**, can have an outsized effect on creating exceptional workplaces. We all know that wellbeing, engagement, and productivity often come down to the small, meaningful choices that shape everyday work.

We invite you to explore the full report ..

.. and discover how having **Nespresso** at the office can transform the everyday work experience, making offices exceptional places to work.
